

CDI is a national organization that partners with businesses to advance their disability inclusion efforts.

WHAT WE DO

- We provide consultation and training through our proprietary Disability Inclusion Process™ that helps businesses create a road map for inclusive practices and work towards achievement of our annual *“Leader in Disability Inclusion Seal of Accomplishment”*.
- We deliver educational events and network opportunities that expand the possibilities for disability inclusion.
- We create collaborative relationships with the business community and key stakeholders including business leaders, HR/DEI professionals and service organizations.
- We provide information and resources that drive talent acquisition, employee resource groups, diversity supply chain and disability inclusion.
- We provide avenues for connecting to talent with disabilities.
- We support federal contractors and subcontractors in meeting Section 503 regulations.

TIERED APPROACH TO BUSINESS PARTNERSHIP

Platinum Level = Top Tier includes 12 hours of consultation, training, associated benefits

Gold Level = 8 hours of consultation, training, associated benefits

Silver Level = 4 hours of consultation, training, associated benefits

- Tiered partnerships provide corporate partners with a deeper dive into the disability inclusion process, help them gain traction and create a road map for targeted disability inclusion efforts.
- We meet you wherever you are on your journey and are ready to work together to help you elevate disability inclusion in your workplace and marketplace.
- Doing this work can lead to receiving CDI’s national seal of accomplishment for being a Leader in Disability Inclusion. Contact us for eligibility criteria.
- **Partners are eligible to work toward the *“Leader in Disability Inclusion Seal of Accomplishment”***
