

CDI is a national organization that partners with businesses to advance their disability inclusion efforts.

WHAT WE DO

- We deliver educational events and networks that expand the possibilities for disability inclusion.
- We create collaborative relationships with the business community and key stakeholders including business leaders, HR professionals and service organizations.
- We provide information and resources that drive talent acquisition, diversity supply chain and disability inclusion.
- We provide consultation and training to enhance awareness and skills in disability inclusion.
- We connect business partners at any stage of disability inclusion with thought leadership and solutions.
- We provide avenues for connecting to talent with disabilities.

The Center for Disability Inclusion advances disability inclusion by providing the business community with tools, resources and solutions that drive employee hiring, engagement and performance.
